MAPP IN SAN FRANCISCO

Join Us for a MAPP Meet-Up at the APA Annual Meeting in San Francisco

MAPP is organizing an informal Maine Get-Together for members, trainees, and friends of our psychiatric community.

Purpose: Connect, socialize, and strengthen our Maine professional network while away from home.

Details:

We will announce the date, time, and location as soon as the APA releases the final meeting schedule so we can choose a convenient slot for everyone.

If you plan to attend the APA meeting and want to join the get-together, please let us know—we'd love to see you!
